Brings comfort and improvement and tends to personal enjoyment when rightly used. The many, who live better than others and enjoy life more, with less expenditure, by more promptly adapting the world's best products to the needs of physical being, will attest the value to health of the pure liquid laxative principles embraced in the remedy, Syrup of Figs.

Its excellence is due to its presenting in the form most acceptable and pleas-

Its excellence is due to its presenting in the form most acceptable and pleasant to the taste, the refreshing and truly beneficial properties of a perfect laxative: effectually cleansing the system, dispelling colds, headaches and fevers and permanently curing constipation. It has given satisfaction to millions and met with the approval of the medical profession, because it acts on the Kidneys, Liver and Bowels without weakening them and it is perfectly free from

ening them and it is perfectly free from every objectionable substance. Syrup of Figs is for sale by all drug-gists in 50c and \$1 bottles, but it is manufactured by the California Fig Syrup Co. only, whose name is printed on every package, also the name, Syrup of Figs, and being well informed, you will not accept any substitute if offered.

He makes a specialty of treating patients through letter correspondence, and all who accept his ofter are astonished at the marveloops success of this method. who accept his offer are astonished at the marvelous success of this method. His office is at 35 West 14th street, New York city, where he receives and carefully examines every letter sent to him by persons describing their cases and telling him their symptoms. After theroughly studying each he answers the letter, explaining the cause of each symptom and telling a sure way to get well and strong. He makes the patients understand exactly what ails them and tells them all about their complaint, and all this is entirely free of charge. They save the expense of a trip to the city, have no fee to pay, and have the benefit of the best medical advice and consultation. Here is an opportunity for you to get well, reader, you can either accept or reject it. Which will you do?
